Chuck,

We should get started on this if you all are ready. I will look into an FTP site, but feel free to e-mail documents to me if that works.

The work assignment is ready and I'd like to task Tetra Tech to start now. Is this a good time for you all too?

Jamie,

Attached is the scope of services you requested. If you have any questions, or need more information don't hesitate to contact me. Let me know when you are ready for the documents that are listed in the scope. Like in the past, I will need a link to an FTP sites.

Thanks again - Chuck
